

Count On Us!

# PROCESS SOLUTIONS

The primary focus of Process Solutions Group is in providing finance and accounting related Business Process Outsourcing (BPO) services.

Originally founded as the BPO division of Andersen Worldwide in Hungary, we are now a fully independent service provider. Through our own offices and together with our partner network we deliver high-quality finance, accounting and payroll services for multinational companies in more than twenty European countries.

In order to support the fast-growing demand for high-quality accounting services in the region, our Group is seeking talented new professionals.

## We offer more than your first job!

Apply for a position of assistant or intern if you wish to...

- get acquainted with the business processes of some of the most successful companies of the world;
- work closely with our experienced managers and seniors, delivering high-quality services to our Clients;
- learn and develop at a fast pace in all areas and aspects of accounting whilst performing challenging and interesting work
- develop your management skills as well as your professional knowledge;
- build a structured career.

We provide you with a "fast-track" opportunity of becoming a recognised expert in the field of accounting!

## Take full advantage of Process Solutions development program!

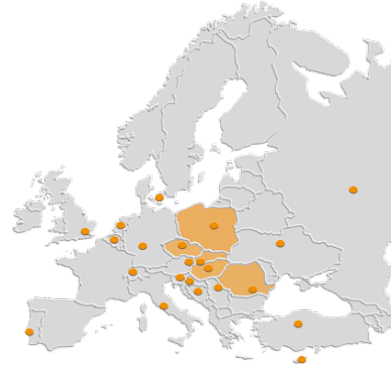

# Count On Us!

## Program for the newly qualified graduates

Let us be your first job!

Our company welcomes young persons at the beginning of their career having recently finished their high level accounting or economic studies. With us they will have the opportunity to acquire high level professional skills and also to start their personal career.

## Full-time intern program

You can test yourself in the real world of work whilst still attending university. You can acquire practical experience under our highly qualified and professionally experienced colleagues and develop skills which you cannot find in the classroom.

## Here is your opportunity to join us!

How to apply for a job with us?

Please send your

- motivation letter and CV in English and in your native language,
- with your photo

by email or post to the proper office's address from the list on the back cover.

Please visit our website's Career pages for more detailed information about our firm and open positions.
